INTRODUCING CERVETTI 44 SAILING CATAMARAN

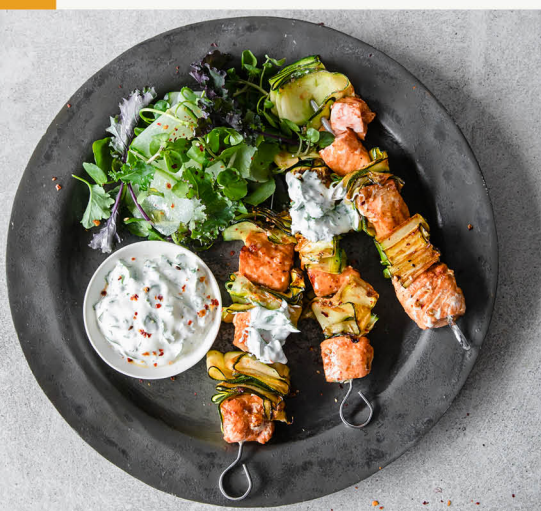

CERVETTI 44

DUFOR

AVAILABLE EARLY 2023

1 Introducing the new Cervetti 44 catamaran marks the new era of our shipyard aiming at quality over quantity. Developed in cooperation with the young team of Italian designers and engineers from yacht design studio Skyron, this catamaran combines all the characteristics one could wish from a boat. Bold, dynamic design of the hulls with the inverted bows gives you the sensation of a constant movement while the signature grill on the deckhouse and sporty openings at the stern add even more dynamics to the overall impression.
