INTRODUCING CERVETTI 44 SAILING CATAMARAN

AVAILABLE EARLY 2023

1 iYachtclub is excited to announce our partnership with Dufour Catamarans. In February, we introduced the Dufour 48 at the Miami boat show. Now, we are proud to introduce the new Cervetti 44. This latest design continues Dufours quest to provide quality over quantity in their brand. Developed in the cooperation with a young team of Italian designers, this catamaran combines all the characteristics one could wish from a boat.

In today's crazy market, Cervetti offers an affordable price point in a Cat that is available fall 2022. The base price for the new Cervetti 44 is 550,000 euro. The current base price of the Dufour/Cervetti 48 is 677,000 euro.
