ROASTED RED PEPPERS WITH PESTO

- Preheat oven to 400 degrees.
Slice mini bell peppers in half and remove stem and seeds.
- Place in a large bowl (or large ziplock bag) and toss with pesto, olive oil and balsamic vinegar until peppers are completely covered.
- Line up peppers on a baking sheet and place into oven. Bake for 15 minutes.
- Once peppers are cooked, take peppers out and carefully add crumbled goat cheese to insides of pepper halves.
- Place back into oven and bake for another 3-5 minutes or until goat cheese is melted.
- Optional: sprinkle chopped fresh oregano or basil over peppers before serving. Or, to completely mix this up, drizzle honey over the peppers to blow people away.
